SECOND CHANCE
LAST OPPORTUNITY

SCLO

ECC-2020

IMPORTANT UPDATE FROM SECOND CHANCE LAST OPPORTUNITY

Starting July 7, 2020, Second Chance Last Opportunity will change their food and giveaway policy for the safety of residents, along with their volunteers and staff.

Second Chance Last Opportunity will have an order list that residents will use to order the items we have available for giveaway.

COVID 19 has made SCLO put in place precautions on how we can provide a needed and ongoing service for those individuals in crisis, reaching youth and families and grieving and struggling families during the pandemic. At the same time, we must protect those we serve as well as our dedicated staff members and wonderful volunteers.

Our new procedures are:

- Each Client will get an assigned number.
- Everything is free but orders will be ready after 24 hours.
- The list of items available may change depending on the donations we receive.
- There are no substitutes allowed.
- Each client may place an order once a week.
- Deadline for placing orders is by 2pm each Monday.
- We will not be held responsible for you not getting your order if you have not given us a legitimate phone number to call.
- Only the name listed on the order will be allowed to pick up the order unless otherwise pre-arranged.

Timeframe for pickup is within 24 hours once order is called for you to pick up.

Pick up days are Wednesday and Fridays.

We do not deliver or hold orders.

Picture ID is required!
