# *Give a Gift and Sponsor Hope!*

SCLO is the only non-profit located in Newtown and serves as a gateway to hope for individuals who want to change their lives for the better.

## **MENTAL HEALTH PROGRAMS**

To address years of poverty and abuse requires access to professional aid, but SCLO clients don't know where to turn for information or help. SCLO provides a culturally-sensitive entry point for clients to take the first steps towards recovery, leading to ongoing support through referral to outside agencies.

## **ENRICHMENT FOR OUT-OF-THE-BOX YOUTH PROGRAMS**

Poverty destroys children's dreams. SCLO exposes our youth to a world outside their own, adding new experiences and adventures at Mote Marine, Myakka State Park, theaters and museums. The young people are also invited to special events throughout the year—a health Fair including giveaway backpacks and school supplies, a Christmas Party, a Father-Daughter Dance, and the Taste-Around-the-World Cultural Fair.

## **SKILLS FOR LIFE**

Sisters Circle is a five-week support-group program designed to help participants break the pattern of dependency by developing new outlooks on life. Through the Sisters Circle, adult women, and teenage girls between the ages of 14 to 49 are empowered to become self-sufficient by embracing essential life management skills for communication, employment, and parenting.

## **CRISIS INTERVENTION**

SCLO was designated an Emergency Crisis Center during the Covid-19 pandemic but has always functioned as a community resource center supplying food, clothing, diapers, personal hygiene items, and housing referrals on a walk-in basis to those in need.
